

Cruising Yacht Club  
of South Australia

**Sail**PASS

INTRODUCTORY MEMBERSHIP

## **CYCSA RACING ASSOCIATION SailPass Membership System**

The CYC Casual Race Day Pass system will be upgraded for the 2019-20 Season using the **Australian Sailing SailPass System**.

SailPass provides access to racing for non-members at a minimal cost, enabling prospective members to sail at the Club and use the Clubhouse Facilities after racing. It also enhances safety for members and visitors by knowing who is on the water.

The CYCSA SailPass will be offered in two categories:

**Twilight SailPass** – Available on Wednesdays only at no cost to visitors

**Race Day SailPass** – Available on weekend race days. The first 3 race days are at no cost, the next 5 race days are at \$15 each and all following race days are at \$25 each

The CYC SailPass allows prospective members to race up to 8 times before the cost should ensure that they then become an annual Racing Association membership. As an extra incentive, the money that has already been spent on the SailPass will come off the persons Racing Association Membership Fee.

The benefits of the SailPass Membership are:

- You will comply with CYCSA Club policy
- Australian Sailing Personal Accident Insurance for days raced
- Australian Sailing number for the day (which can be reused and is necessary for all who race)
- Access to club facilities (showers, hospitality etc).

It is mandatory that all who sail out of the CYCSA have either the appropriate CYCSA SailPass Membership or are a member of the Racing Association.

**CYCSA SailPass membership can be acquired on line [HERE](#)**
