Yachting Australia Powerboat Handling Course

Saturday 1st & Sunday 2nd December 2007
9am – 4pm both days, CYCSA, North Haven

Learn all the skills and theory for safe power-boating in this state. Practical components include launching, trip planning, boat-handling, rope-work, heavy weather, towing and man overboard drills. Theory topics include navigation, rules and regulations, safety equipment, buoyage and much more

This course is a requirement for YA dinghy & windsurfing instructors. It is also recommended for race officers and rescue boat drivers. Ideal for any boating enthusiast.

Cost \$160 per person includes manuals, notes and logbook
For more information or to enrol call Brett Yardley on
0438 800501 or the CYCSA on 82484222
